

: (ii) :

Terms & Conditions:

1. The Certificate should be displayed at prominent place and available for verification during inspections to the facility.
2. No alterations or corrections would be permitted on the face of the certificate.
3. The certificate would be deemed to be invalid for other than the purpose for which it is given.
4. All the treatment operations should be performed by a qualified operator of the firm and necessary treatment records/data log sheets are maintained for necessary verification.
5. All the treatments should be performed as per the standards laid down under ISPM-15 and the treated packaging material should be marked with assigned code number prior to export as per ISPM-15.
6. The certified facility should abide by the instructions and guidelines issued by the Plant Protection Adviser from time to time.
7. The certified facility should submit a compliance agreement to the Plant Protection Adviser at the time of issuance of the certificate duly signed by the authorized signatory of the firm.
8. The certificate would be valid for **one year (initially)** from the date of issue unless otherwise revalidated and firm should apply for revalidation at least **45 days** before expiry of certificate. (*The revalidated Certificate is valid for two years*)
9. No liability would lie with the officers of Directorate of Plant Protection, Quarantine and Storage towards issuance of the certificate.

Mark Assigned to the Facility:

Foot Note: Markings should be according to the model shown above (12 x 6 cm), legible, permanent, not transferable, placed in a visible location and preferably marked by a stencil with black ink. The letter size should be a minimum of 2.5 cm. Recycled, remanufactured or repaired wood packaging material should be re-certified and re-marked. All components of such material should have been treated.

Revalidated up to **05.04.2015**

(Dr. Sanjay Arya)
Deputy Director (PP)
Regional Plant Quarantine Station
GST Road, Meenambakkam, Chennai-27.
